Dear Friend:

We are truly honored to invite you to join as a partner in support of Elijah's Promise *Annual Chef's Night* event on June 10th at the Palace in Somerset benefiting Elijah's Promise. **This special fundraising event, during our thirtieth anniversary year celebration, will be our largest dinner to date.**

Elijah's Promise was established in 1989. From our inception, we have been grounded in the belief that "Food Changes Lives" and our comprehensive services have evolved into Central New Jersey largest anti-hunger and food systems agency. Our programs include emergency feeding, social services, culinary job training, cooking education, and food entrepreneurship as we leverage food as a vehicle for positive change, empowerment, and holistic wellbeing in our community.

Because of your support this sensational event is one of Central New Jersey's premiere fundraisers and features over 35 of New Jersey's finest chefs who donate their valued time and delicious food to the cause! **Their generous support and donations allow 100% of the funds raised to directly support our programming including our Promise Culinary School!** In addition, over five-hundred corporate and community leaders, government officials and friends of Elijah's Promise attend and support this event to raise critical funds.

Please review the enclosed sponsorship and ad journal information and join us in the Chef's Night Celebration at one of the sponsorship levels. *As a sponsor, your donation will change the lives of our students!* You will also be included in our vast array of event publicity and be prominently recognized in our e-newsletters and social media which reaches thousands central New Jersey residents.

Thank you for your consideration and helping us change the lives of so many in our community who simply need the opportunity to learn and flourish!

Should you need any further information, you can reach me at (732) 545-9002 Ext. 126, or michelle.wilson@elijahspromise.org. - *Food to Changes Lives!*
